How Did I Do?

Writing genre: Research Report

1. Did the beginning of your report grab your reader's attention? How engaging was your topic?

2. How reliable were your source materials? Did they support the ideas in your report?

3. How efficiently did you use the outline you made?

4. Did your paragraphs include clear topic sentences and supporting facts?

5. Did you summarize your findings and conclusions effectively at the end of your report?

6. How interesting and informative was your report overall?

7. Did you include a bibliography with your report?
